Clause 5.7 of the bidding document (Section 2: ITC 5.7) states that; in case of quality and cost based selection (QCBS), the lowest evaluated financial proposal (Fm) will be given a maximum financial score (Sf) of 100 points. The financial scores (Sf) of the other financial proposals will be computed based on (Fm).

Proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T= 0.7, P=0.3, T+P=1) as indicated in the bidding document (letter of invitation).

The financial score was determined using the following formula:

$$\text{Price score} = (\text{Lowest Acceptable Offer (Fm)} / \text{Tenderer's Acceptable Offer (F)}) \times 100$$
